

Stripmaster Program Download & Installation

1. Enter your username and password for the DEVO Capital Web page.
2. Click Log in.
3. Click on Strip Master on the left menu.
4. Click on stripmaster.exe
5. Click run
6. Click run again
7. Click on install (this will install the Stripmaster program on your C:drive in a directory called C:/qdevo).
8. If you are upgrading from an older version, click Yes to All

Run the Stripmaster.

1. Go to the C:/qdevo directory on your C:drive
2. Copy the quote menu excel icon to your desktop (or you can just open the Stripmaster by double clicking the quote menu icon in the qdevo directory.) If you copy the shortcut to your desktop, you can launch the program from your desktop. **The next update will automatically place an icon on your desktop.**
3. When you open the Stripmaster, you must click on enable macros.
4. You then enter your Stripmaster password. Please email to research@devocapital.com or call 970-264-4399 to get a password. The password will change every 2-3 months. Once you request a password you will be emailed a new password whenever it changes.
5. To update the data, click on custom (excel menu) and from the dropdown menu, select update data. After the data updates, the quote menu will come up.
6. Select the type of quote you want from the buttons.
7. When the file opens use the drop down boxes to set all the parameters.
8. You can change the criteria on each section separately as you wish.
9. When done always go back to the menu and select exit.

Printing a Quote

1. Click on the print button.
2. When prompted to enter name for the quote. (i.e. Company Name May – Aug Strip).
3. Click Ok

Moving Around

1. You may move from one type of quote to another with out going back to the menu.
2. Simply click on the button for the type of quote you wish from any of the files.
3. When exiting the program, ALWAYS RETURN TO THE MENU AND CLICK EXIT.
